

What is Glogster?

Glogster is an online platform for digital storytelling and interactive learning. It allows users to mix all kinds of media on a one virtual canvas to create multimedia posters, and access a library of engaging educational content created by students and educators worldwide.

So what ways can we use Glogster in the classroom?

- * You can make posters.
- * Yes, but not just any posters: posters with videos, posters with hyperlinks, posters with pictures, images and audio files.
- * It's a creative and interesting way for students to share what they have learnt.
